BJBE HIGH HOLY DAYS 2021/5782

Celebration for Families

The Celebration for Families provides a festive and fun atmosphere for the members of our community who are too young to be vaccinated and the adults who love them. These services are a developmentally thoughtful experience of the High Holy Days, do not require a ticket, and are open to all who wish to attend.

ROSH HASHANAH CELEBRATION | 4:30PM

Celebrate the new year with friends, family, and clergy. Gather outdoors to enjoy festive music, hear the sound of the Shofar, and engage in interactive programming. This event is being thoughtfully planned to provide a joyous and safe Rosh Hashanah experience. The location will be shared a few days in advance to all who RSVP. Everyone, including BJBE members, must pre-register for this event.

YOM KIPPUR ONLINE EXPERIENCE

Join the BJBE clergy online for an engaging video Yom Kippur children's service featuring music and a story that elevate the themes of the day. The link to the video will be sent Yom Kippur morning. Families can watch at a time that works best for them.
