Women's Seder
Monday, March 23, 2015

*Rituals of old fill our hearts,
Stories and songs make our cares depart,
The Seder calls, as so long ago,
To make us rejoice, in the freedom we know.
Women of all ages gather, our numbers are strong,
So we join to worship and praise in song.
In a Seder for generations, the idea's not new,
But it means so much when we share it with you.*
