

Do you remember the excitement of opening that new box of crayons on the first day of school? Recall the thrill of sporting that new backpack? For many needy families, the expense of preparing a child for the new school year is simply beyond their means. These families struggle to pay rent and keep food on the table. It's not that these caring parents don't value education – like you, they want to see their children enter the new school year prepared and proud.

BJBE Early Childhood Center (ECC) and **BJBE Sisterhood** are partnering again this summer with Jewish Child & Family Services. We are asking for your help.

The following items are needed. A donation box in in the Tzedakah nook. Supplies will be collected through July 31.

Thank you for your support.
