## Did you know?

### **Our Jewish Learning Center has a Special Needs Coordinator.**

The goal of this program is to provide a safe and nurturing Jewish education within the general BJBE classroom for students requiring additional support or accommodations. Diana Slatopolsky, long time BJBE member, Sunday School teacher, and school psychologist, provides guidance to our classroom teachers, students, and parents.

### **Everyone deserves to become Bar/Bat Mitzvah.**

At BJBE, we believe that every child is capable of becoming a Bar or Bat Mitzvah in their own way. We look forward to working in partnership with you and your child. We are confident that together we can meet the needs of each student and make the Bar or Bat Mitzvah experience meaningful.

### **BJBE is fully accessible.**

We have wheelchairs, walkers and large print prayer books available. Please let us know if there is any way that we can help you reach your or your family's needs.

For more information on the BJBE Inclusion committee, contact Jen Gendel, [gendeljennifer@gmail.com](mailto:gendeljennifer@gmail.com)

# February Adult Education

## The Symposium: Our Story—The Hall of History

The story of the Jewish people, our story, tells the story of the world. By studying the major memories, moments, and movements of the Jewish people we can come to know ourselves and envision our future. We will experience the incredible Hall of History in our Jewish Learning Center—200 feet of murals displaying hundreds of archival, museum quality photos, maps, and documents. We will trace the story of the Jewish people from the creation of the world to creation of the modern State of Israel, and everything in between. As always, our Symposium will be taught by some of Chicagoland's leading rabbis and teachers, along with our own BJBE clergy.

*Tuesdays, 10:00-11:50 a.m.*

**February 6** - Enlightenment, Napoleon, & Bill of Rights  
Instructor: Rabbi Jason Fenster

**February 13** - Religious Movements: Reform, Conservative, Orthodox

## Sunday Morning Adult Learning

*Sundays, 9:45-10:45 a.m.*

### Family & Parenting at Every Stage

Each stage of children's lives brings new challenges and opportunities requiring us to adapt to changing circumstances and recalibrate our role as parents. We will explore some of the Jewish principles and practical strategies that can guide us as we strive to make values-based choices that support and nurture the young people we love.

**February 4** - Your Child, The Internet, and You, Kelly Grover, Outreach Prevention Specialist, Response Center

**February 11** - Navigating the Halls of Middle School, Kelly Goldberg

### February 18 - Be Still and Get Going

Instructor: Margot Andersen, MSW, Mindfulness Meditation Teacher, Institute of Jewish Spirituality

In this session, we will explore how to find our courage and faith during life's most difficult challenges to move forward. Often, we become stuck and frozen with anxiety, uncertainty and fear. We will look back at the wisdom of ancient texts to help us find our faith and equanimity during times of adversity and change.

## Project5778 Be Just Be Engaged

BJBE is involved in so many social action and social justice projects. Imagine if we could get a full picture of all the work being done. Let's celebrate our action! Let's share our experiences! Let's inspire each other to bring about more justice, more compassion, and more wholeness to our communities, our state, our country, and our world!

In this year, 5778, let's commit as a congregation to spending 5778 hours in social action and social justice work before Rosh Hashanah 5779. As we log our hours and achieve our goal, we can celebrate the incredible work we are doing and inspire others to join in these critical efforts.

Log your hours at [www.bjbe.org/project5778](http://www.bjbe.org/project5778)

- Understand the rhythm of the siddur (prayer book)
- Practice the melodies and songs sung during services and holidays
- Discuss, question, understand, and argue with the weekly Torah portions
- Know the holidays at an adult level – not just dreidels, Queen Esther, the Four Questions, etc.
- Become familiar with some of the books in the Tanach (Hebrew Bible) like Psalms, Song of Songs, Ruth, Esther, Ecclesiastes, and more
- Learn about Israel today, Reform theology, Jewish history, and more!
