If Statues
Could **TALK**
What Stories
Would They
TELL?

Be amazed by
what the Talking
Statues in Chicago
have to say on this
virtual tour

A Multi-Media Program

The Talking Statues of Chicago share their stories as written by Chicagoans, voiced by Chicago actors, and co-produced by Chicago theaters. The majestic lions standing proud at the Art Institute speak as the unofficial mascots of Chicago, while across town, Leif Ericson claims he actually discovered America 500 years before Columbus. You'll also hear George Washington thank Haym Salomon, who was an important financier of the American Revolution.

Beth Sair has a great love for the city of Chicago. Her passion has led her to document the Talking Statues located throughout the city. Each statue tells a compelling story and Beth will introduce you to some of the featured historical figures and artworks.

All are welcome to attend this virtual tour of the city's finest talking statues. Please invite friends to attend this wonderful program. No tickets are required, and there is no charge. **Please RSVP by May 7th** to Sisterhood Program Vice President Gloria Marron gloria.r.marron@gmail.com 847 272-6082

**HOSTED BY BJBEE SISTERHOOD

An accident during a bar mitzvah celebration leads to a gender rift in a devout Orthodox community in Jerusalem, in this rousing, good-hearted tale about women speaking truth to patriarchal power.

When the women's balcony in an Orthodox synagogue collapses, leaving the rabbi in shock and his wife in a coma, the congregation falls into crisis. Charismatic young Rabbi David appears to be a savior after the accident, but slowly starts pushing his fundamentalist ways and tries to take control, testing the women's friendships and creating a rift between the community's women and men.

Art Sale to Benefit BJBE

Congregation BJBE is the beneficiary of a number of works of art. These limited edition lithographs, serigraphs and etchings are now available for sale to benefit BJBE. The dollars we raise will support the full range of BJBE programs and services.

Each one of these special works of art display an embossed imprimatur indicating it is from the estate collection of Picasso.

Other works of art include those by well-known Jewish and Israeli artists such as David Azuz and Ovadia Alkara. Michael Knigin's artwork has appeared in many museums throughout the world including the Israel Museum. During his lifetime, he even created an entire series dedicated to the Holocaust. Elke Sommer is a well-known actress and talented artist.
