Shalom Bayit – Peace in the Home: Having Civil Conversations Across Lines of Difference

We live in a nation that is fracturing along political lines, and it seems that the pundits, politicians, and even the people in the street are talking past each other instead of talking to each other. What are the skills we need to talk to each other, especially when we disagree?

Tuesday, November 7, 7:30-9:00 p.m.

The Symposium: Our Story – The Hall of History

The story of the Jewish people, our story, tells the story of the world. By studying the major memories, moments, and movements of the Jewish people we can come to know ourselves and envision our future. We will experience the incredible Hall of History in our Jewish Learning Center—200 feet of murals displaying hundreds of archival, museum quality photos, maps, and documents. We will trace the story of the Jewish people from the creation of the world to creation of the modern State of Israel, and everything in between. As always, our Symposium will be taught by some of Chicagoland's leading rabbis and teachers, along with our own BJBE clergy.

Tuesdays, 10:00-11:30 a.m.

November 7 - Hellenism, Instructor: Rabbi Jason Fenster

November 14 - Maccabees, Instructor: Rabbi Jason Fenster

November 28 - Second Temple, Instructor: Rabbi Karyn Kedar

Sunday Morning Adult Learning

Lessons from the Hall of History

As our young students make their way to their classes each week, they walk past an incredible mural depicting thousands of years of Jewish history. Over these four weeks, we will learn about some of the major memories, moments, and movements that mark the story of the Jewish people from creation to the present day.

Sundays, 9:45-10:45 a.m.

October 29 – Creation to the Second Temple, Rabbi Karyn Kedar

November 5 – Second Temple, Rabbi Jason Fenster

November 12 – Enlightenment, Rabbi Karyn Kedar

November 19 – The State of Israel, Rabbi Karyn Kedar

BJBE STARS FOR BUSINESS

Nurture our Northshore Neighbors
Help children get the food they need

There are families right here in our community that are struggling to get enough food at each meal. BJBE is joining with other area synagogues, churches and community groups to support the Moraine Township Monthly Food Bag program.

Each month during the school year, students who qualify for free or reduced lunch will receive a grocery bag filled with non-perishable items and supplemented with fresh produce.

Perfect for volunteers of all ages – families with young children, B'nai Mitzvah students, chavurah groups, etc.

Each month's sponsor will provide food to 5 families in need. Sponsors can be an individual, a family, or a group and you can volunteer once or on multiple occasions. The Moraine Township Food Pantry will supply a list of specific food items and sponsors will shop and then deliver the food to the Food Pantry. Your total monetary commitment for one shopping trip to benefit 5 families is approximately \$100.

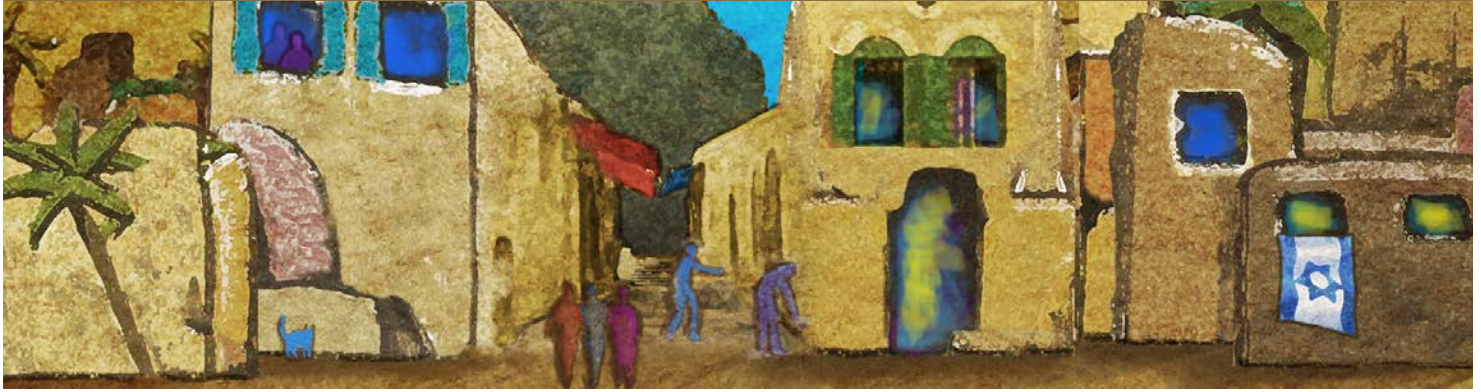

Volunteers are needed for multiple dates throughout the school year.
