

BJBE CHILDREN'S PROGRAMMING

Children's programming during the High Holy Day Services has been a BJBE tradition for many years. This programming includes prayer, music, stories and art, and is taught by our own experienced BJBE teachers and teaching assistants. Juice and a healthy snack will be provided. *No food from home may be brought into the classrooms.*

Children's programming is available for the early Erev Services on Rosh Hashanah and Yom Kippur for children between the ages of 24 months and third-grade.

If you plan to attend Traditional daytime Services and have a child between the ages of 24 months and third-grade, we invite them to participate in our children's programming. You may bring your third-grader to either the Traditional Services or to children's programming.

If you plan to attend the L' Dor Vador daytime Services and have a child between the ages of 24 months and kindergarten, we invite them to participate in our children's programming. You may bring your kindergartner to either the L' Dor Vador Services or to children's programming.

The fee is \$18.00 per child, per service, whether it is the Traditional Service or the L' Dor Vador Service. Walk-in registration is \$25.00 per child, space permitting. **The fee is non-refundable.**
