DONOR FORM

At BJBEE we don't make families in need walk away from their Jewish community and support group, as long as those of us who can afford a little more, give a little more to cover the dues of BJBEE families in need.

Together, with your generous support we can continue to provide the reality of allowing those in need to continue their spiritual journey and receive the support and guidance they deserve.

Participating is easy. You can either make a donation outright or you can pledge an amount to be paid over the year.

Please complete and return the enclosed pledge card by December 15, 2013. Every dollar helps.
