

# News Nosh & (k) Nowledge

Our world is constantly changing. But the values in our tradition are eternal. Join for a conversation of the week's news, informed by the immortal values of Jewish tradition. Grab some nosh from the Beit Café and meet us around the television in the village center to watch, learn, and talk about what is happening and what we can do about it.

**March 4, 11, & 18**  
**9:45-10:45am**
