This experiential music program offers children 9-36 months old the opportunity to learn and explore Hebrew through music. Sensory experiences, movement, instrument, vocal play, exploration and books make language learning enjoyable. This weekly 45 minute class introduces Hebrew language in a fun and engaging format, applying the best practices in second language acquisition.

Classes meet on Monday mornings from 9:15-10:00am

at BJBE 1201 Lake Cook Road, Deerfield

The first class session will be held on April 13th.

The six week pilot program will hold classes on 4/13, 4/20, 4/27, 5/4, 5/11, and 5/18.
