**Bring a picnic dinner, have fun with friends, &
make the world a better place!**

Make a family Tzedakah Chest

Make a family Tzedakah Chest: bring your own large plastic bin or box to decorate and keep at home as a centralized place to put items you plan to donate. We will have decorations to use.

Cookie packing for Project Nourish

Bring cookies or use ours to create packages to fill Project Nourish lunch bags, which get delivered monthly to people who need extra food.

Support a Vet on Veteran's Day Weekend

Make cards to send to active veterans through Operation Gratitude.

Please RSVP to Dani at dglass@bjbe.org so we have enough supplies!

For more information, contact Melanie Berkowitz at melanie.h.berkowitz@gmail.com

No charge for this great program, but please bring something to donate to our Tzedak Niche - we are currently collecting Nutri-Grain Cereal Bars (only that brand), squeezable apple sauce (like GoGo Squeeze, but any brand is okay), and new kids' hats and gloves.
