Making BJBE Your Spiritual Home

SHARED SACRED PARTNERSHIP

BJBE's Shared Sacred Partnership (SSP) is an invitation to join a community committed to relationship building, worship, learning, social action, meaning and purpose. SSP levels provide the opportunity to self-direct contributions and to create a stronger sense of ownership in BJBE's well-being. Members are asked to consider an annual commitment that is meaningful, affordable, and allows BJBE to remain fiscally sound. Whether BJBE has been your spiritual home for years, or you are new to our community, we look forward to sharing our warm, dynamic, engaged congregation with you.

BJBE is pleased to provide multiple commitment options for our community, to reflect each household's ability and our need to sustain the community. If you have any questions, please contact our Executive Director, Chime Costello, at ccostello@bjbe.org or 847.940.7575.

The actual cost of sustaining our synagogue is approximately **\$4,600 per household**. The Sustainer level enables us to cover our costs, while commitments above this level are an investment in BJBE and future generations.
