

Dear Families,

BJBE's Early Childhood Program at the Chava Center has its own Facebook page. Our page is designed to help to keep families informed of important school events, provide an inside look at the learning and experiences provided at school, and market our program to the broader North Shore Jewish community. Learn more about the Early Childhood Program; "like" our page. Help to promote our program by forwarding it to your friends and family.

In order to post pictures of your child on our school page, written permission is required. The pictures are for marketing purposes only, and no personal information about your child or any other member of your family will be used or shared. In signing this release, you agree to refrain from providing individual identifying information about photos posted on the BJBE Early Childhood Program at the Chava Center's Facebook page.

Please sign the bottom of the page to allow your child's picture to be posted on the Chava Center Facebook page. Thank you for your partnership!

L'Shalom,
Susie
